Order Statistics Analysis

The screenshot displays the SHINING3D Intraoral Scan Cloud Platform interface. At the top, a progress bar shows the workflow: New Order (065), Scan (Finished), Pre-Design (Finished), and Send (In Progress). The main content area is divided into three sections: Order Information, Tooth preview, and Tooth map.

Order Information:

- ID: 065
- Order Number: 065
- Create time: 8/18/21 4:58 PM
- Doctor: 001 / Doctor001
- Technician: 001 / Technician001
- Patient: 065 / 065
- Dentistry Type: Restoration
- Notes: Shade: None. Additional comment: None.

Tooth preview: A 3D model of a tooth is shown.

Tooth map: A diagram of a tooth arch with numbered teeth.

Scanned Model: A 3D model of a tooth is shown.

Send Option:

- Target: Dentalsupport
- From: Ryan(Personal)
- Attachment (Recommendation <10MB): +

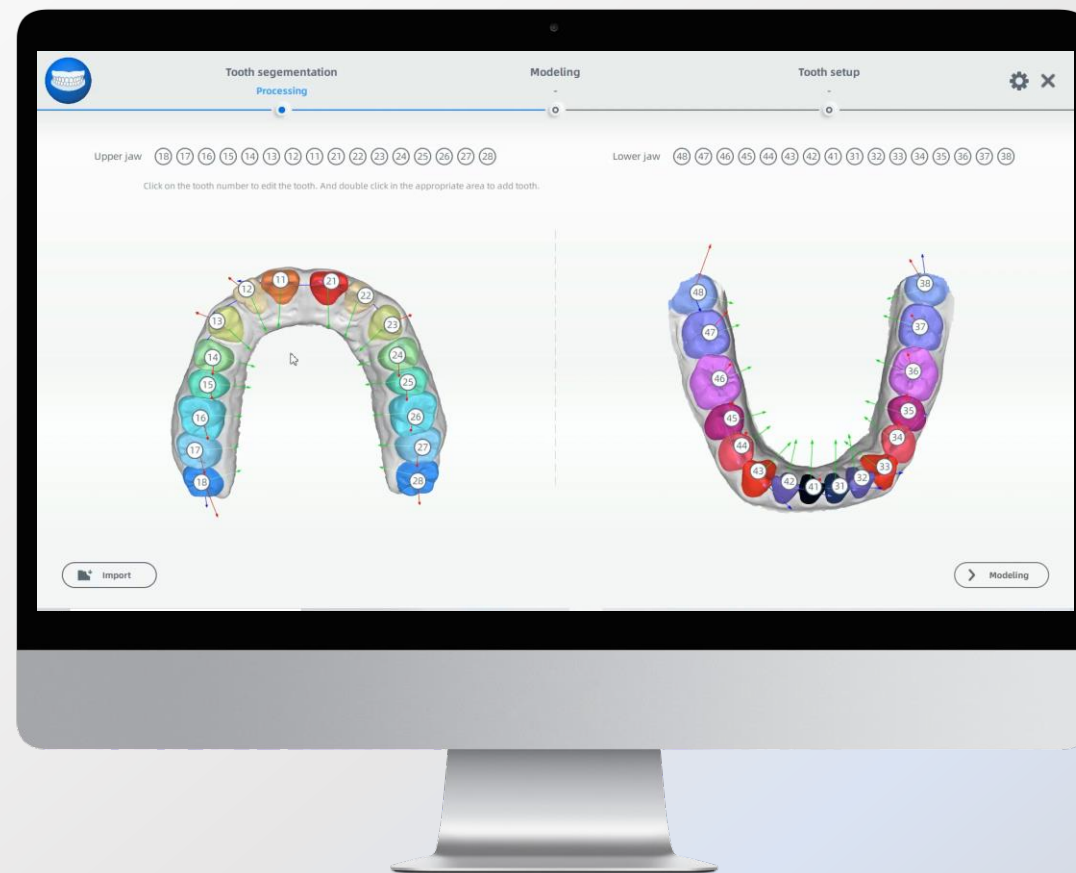

At the bottom, there are buttons for "Pre-design", "Finish", and "Send".
